 These courses provide students at the secondary level with the opportunity for English language improvement with a focus on speaking, listening, reading and writing skills. Previous teaching experience related to balanced literacy is required.
- Salary: \$3039 (includes teacher prep time)
- 5. Grade 7 Transition: Going into Grade 8** **July 4-27 8:15am-12:00pm**  
 This course provides students on their way to secondary school in the fall with an introduction to Grade 8 Mathematics and English with an emphasis on research and study skills. Students will develop skills and strategies to enhance their Grade 8 experience, such as research, note-taking, presentation of learning, organization, literacy, numeracy and the writing process. Students must have completed Grade 7.
- Salary: \$3039 (includes teacher prep time)
- 6. Teacher Librarian(s)** **July 4-August 3**  
 The Teacher Librarian(s) will be responsible for developing a library/resource support program to assist Summer Session teachers and students taking credits programs and/or ESL programs. Along with the Summer Session Principal, the Teacher Librarian(s) will be responsible for liaison with regular school administrators and teacher librarians to ensure effective and appropriate use of school and district resources. Some support for afternoon programs will be required.
- Salary: \$4384 (includes teacher prep time)
- 7. International Student English Preparation Course**  
 This course provides international students at the secondary level with the opportunity to improve their English language skills through previewing classroom learning strategies typical of Canadian academic settings. Attention is placed on the development of academic language for Science, Social Studies and English. Regular feedback of student work, as well as daily mentoring by Burnaby students are integral parts of the program. The prescribed curriculum includes weekly excursions and hands-on learning. Up to date ESL training and experience at the secondary level are required, and experience/comfort with incorporating technology into teaching is a strong asset.
