

**May 25, 2010**

This evening the Board would like to acknowledge two very special groups of people in our district that are leaving at the end of this school year.

- First there are 1754 graduates completing grade 12 in the Burnaby public school system and seeking new adventures and challenges in post secondary education, work or travel. We all wish the best of success to each graduate in their future endeavours.
- We also have employees retiring from our district who have provided such exceptional commitment for our students over the years. There are 12 support staff CUPE members, 51 teacher BTA members, 4 BASA Administrators and 2 Exempt staff. The Board wishes them all the best in their exciting new adventures in this time of their lives, whatever those adventures may be.
