

## **HVAC TECHNICIAN**

The Burnaby School District is looking to hire a full-time HVAC Technician. This position installs, upgrades, services, repairs and tests heating and ventilation equipment; and calibrates and repairs pneumatic and electronic controls and thermostats, as well as DDC systems while working with computer software (programming and scheduling) for automated heating and ventilating systems.

### **Required Qualifications and Experience**

Completion of Grade 12 plus Steamfitting/Pipefitting Trades Qualification (TQ) Certificate and Gasfitter's Certificate (Class B) plus four years related work experience post TQ completion.

Valid B.C. Driver's License (Class 5) is required for this position.

A thorough knowledge of current techniques, methods, procedures and equipment applicable to the HVAC trade, plus a working knowledge of computerized control software and equipment is required.

We are looking for a self-starter with an ability to organize daily tasks, work independently and as a member of a team. Demonstrated ability to work at the level of independence and with the degree of initiative appropriate to the position is also required.

This position is 40-hours/week, 12-months/year and comes complete with a wage of \$31.55 per hour and a full benefits package including pension. This position is available immediately.
